

Recognizing Excellence

Teachers, they hold our children's future in their hands. At American State Bank & Trust Company and KUMV-TV, we believe it's important to honor teachers who go the extra mile. If you know a teacher whose efforts should be recognized, pick up the entry form, write to us and explain why.

If your nominee is chosen as "Teacher of the Month", they will receive:

- A customized desk set.
- A class pizza party.
- A video of their interview that airs on the Evening and Night Reports the first Wednesday of each month and on the Noon Report the first Thursday of each month on KUMV-TV.
- A laminated copy of the nomination letter.
